

FREE WI-FI from Café Puccini

In an effort to further enhance our standards and to compliment our superior services, from the 1st August 2006 onwards the Solana Hotel is offering FREE WI-FI. Short for **Wireless Fidelity** it provides wireless connection to the network enabling in-house guests or walk-in guests to access the internet from the lobby and Café Puccini at no extra charges.

The system caters for an automatic connection for Windows XP Users with an unlimited time of use. To connect the users simply require a laptop with WI-FI Facility or with a WI-FI USB Stick.
